Edwards Removals

The Exceptional Moving Experience

Founded in 1989 Edwards Removals has always had an exceptional reputation for bespoke removals throughout London, the UK and across the globe. Clockwork Removals and Storage acquired Edwards Removals in 2005 and we have always taken it's reputation and strong brand heritage very seriously. As a company we believe success is built on the strength of personal recommendation and our staff and crew throughout London work hard to uphold this long established reputation.

Group Chairman

Our Values

Customer Focused Removals

We are passionate about caring for our customers, from booking your parking requirements to full maid services with your move, our dedicated Move Managers understand that the little details are what makes things right for you.

Our teams of Move Manager's and Removal Operatives are devoted to what they do and are trained to the highest industry standard. Edwards Removals regularly carry out work for distinguished and high net worth individuals and are proud members of the British Association of Removers, so you can be sure of the finest quality services whenever you call upon our assistance.

At Edwards Removals we are committed to acting in a socially responsible manner in respect of our customers, staff and in making a positive contribution to the local communities and environment in which we operate.

We have key environmental and ethical initiatives focused on reducing our environmental impact. We are continually working on these positive measures aimed at; reducing energy consumption, offsetting, recycling and reducing emissions.

Household Removals

Bespoke Services throughout London

Our comprehensive household removals services includes a thorough initial consultation, with one of our experienced surveyors, to establish your moving requirements. We will then send you a fully prepared written quote and once our quotation meets your needs we will book in your move and make all the necessary arrangements.

We also offer video surveys from the comfort of your own home, speaking with a surveyor directly to discuss your requirements and walk “virtually” around your home, providing a totally contact-free service.

Your personal Move Manager will always be on hand to guide you seamlessly through your move, answering any questions or making changes where necessary. We take care of every detail regardless of destination, be it simple access checks at top floor apartments in central London through to handling customs documentation for international relocations.

“
The crew were polite
and helpful and I would
certainly recommend
Edwards in the future.”

Secure Storage Facilities

Flexible Services to Suit your Needs

Edwards can offer the perfect storage solution for all of your effects, from containerised storage to private rooms, temperature controlled areas for artwork or specialist wine storage.

When moving your effects into storage, the containers are loaded whilst on the vehicle, and secured with numbered seals. The removal team will create an inventory of the contents of each container as it is being loaded, so should you require a particular item from store you know exactly where it is.

The storage containers are held in our own secure facility, which is managed and controlled by Edwards staff. The warehouse is secure and fully protected by our 24 hour Redcare alarm system.

Should you require anything back from your storage at any point, a simple phone call to us and we will make all the necessary arrangements.

Packing Services

Dedicated Care and Attention

Our staff are trained to the highest industry standards and have the knowledge, equipment and materials for packing the full range of household items and furniture.

All glass, china and other breakables will be professionally wrapped by our specialist packing teams and antiques or especially delicate items will be export wrapped using breathable bubble wrap and tape. We use hanging wardrobe cartons for moving clothes and all mattresses and sofas will be protected by specialist bags.

For ornate mirrors and gilt framed pictures, we can have wooden crates made to measure to ensure absolute peace of mind.

“Your crew went to great lengths to make sure things went as smoothly as possible.”

Additional Services

Expertise to put you at Ease

We are used to handling all kinds of requests from clients and will always do everything within our power to provide what you require.

These are some of the additional services that we can arrange, to ensure that your move goes without any hitches:

- Piano removals
- External furniture elevators
- Safe removals
- Unpacking & maid service
- Electrical work
- Plumbing
- Window removal for large items
- Picture hanging & installation services
- Bespoke wooden crates
- Disposal services

“I’d like to specially compliment your employees for their professionalism and their kindness.”

Business Relocation and Storage Services

Tailored Commercial Services

Edwards Removals has extensive experience of providing full commercial relocation services within London for interior designers, galleries, exhibitions and museums.

Our London based teams provide storage, logistics and procurement services to Interior Designers and creative businesses throughout the capital. Our highly experienced Move Managers are always on hand to help plan and implement flexible solutions to fit your business needs and design projects.

Our flexible service covers; collections and delivery, inventory management, supplier quality control, international shipping and secure flexible storage.

As part of our commercial relocation services, we offer fine art logistics; storing, transporting and installing works of art safely and securely.

If you need advice in planning your commercial relocation, please feel free to call us on **0845 430 8000** or email us at commercialmoves@edwardsremovals.com

Your Moving Checklist

4 Weeks Before

- Complete a change of address form with the Post Office to re-direct your mail.
- Inform all postal subscription services of your address change.
- Notify water, gas and electricity suppliers that you will be moving and let them know whether you will require the supply switching off or whether you will be providing meter readings.
- Arrange for utility connections at your new home.
- Notify schools, churches and clubs of your impending move.

3 Weeks Before

- Make a list of contact names and phone numbers you will need when you move into your new home.
- Consider plants and pets on moving day - talk to us, we are happy to advise.
- Dispose of items you don't need in your new home. Again, do talk to us, as we can help with the disposal of unwanted household items.
- Start to run down contents of your freezer.
- Make a sketch plan of your new home to determine the placement of furnishings.
- Transfer insurance to cover contents at your new home.

2 Weeks Before

- Discontinue regular services such as newspapers, window cleaning, etc.
- If applicable, arrange to have the satellite dish moved to the new property.
- Inform friends and family of your new address.

1 Week Before

- Arrange to discontinue your telephone service and establish a phone service at your new home.
- Drain fuel from lawnmowers and other garden equipment.

On Moving Day

Relax and let us do all the work but remember to:

- Disconnect light fittings (where applicable).
- Make sure plants are drained of excess water.
- Make sure you have personally taken cash and jewellery with you to your new home.
- Take meter readings when you leave your property and also when you arrive at your new home.
- Label keys ready for the new owners and arrange where you will collect the keys for your property.
- Pack a separate box containing snacks, kettle, tea, coffee and milk, etc to take in the car.

“
We were very impressed
with the whole service.”
”
